**MORE ACTIVITIES ARE ON THE BACK OF THIS PAGE!**

### ACTIVITY #3 - POPSICLE STICK GARDEN

**What You Need:** "Popsicle Stick Garden Label"  
Activity Page, Paper plates, Popsicle sticks, Crayons,  
Mini cupcake liners, Glue sticks

1. Encourage children to color their paper plate to look like the earth and sky.
2. Color the popsicle sticks green if desired and glue to their plate.
3. Glue cupcake liners on for flowers. Add the label to their plate.

**Say (After the Activity):** "God filled the garden with plants, flowers, and trees. Some of them grew food that you could eat. There were so many animals. It was perfect! God made it all. But, He wasn't done. God made people, Adam and Eve, to watch over the animals and the garden. God gave them one rule. He told them to never, ever eat the fruit from one tree . . . but they did. They didn't do things God's way, so God sent them out of the garden and everything became harder because they didn't obey God. Everything would have been better if they had only followed God's way, because God's way is perfect. **Whose way is perfect? God's way is perfect.**"

### ACTIVITY #4 - HOW DOES YOUR GARDEN GROW?

**What You Need:** Garden Building Toy Kit

1. Encourage children to make a garden using the given pieces.
2. Have children take turns telling about their garden.

**Say (After the Activity):** "In our story today, we heard about the very first garden God made. He filled it with plants, trees, flowers, and animals. It was perfect, and God made it all! God's way is perfect! **Whose way is perfect? God's way is perfect.**"
